If you are applying for a fee reduction because of financial hardship or in the interests of justice, please give supporting reasons for your request (attach a separate page if required). <u>If the reasons include financial hardship you must complete the information on the following pages.</u>			
I am applying for a fee reduction because of financial hardship. At this point in time I simply cannot afford the \$1,000 fee for the hearing transcript, so my appeal for <b>BUN/GCLM/316/2015</b> is based on memory and notes. In the interest of Justice I would like a cheaper transcript and cheaper application fees			
<b>I certify that the above information and disclosures in this form are true and correct.</b>
