Hi People

I would like to request a copy of the building permit issued for retaining walls to be built on 14 Trinity Rise, College Grove.

Also known as lot 26 on the subdivision plans.

This wall has probably caused the failure of the retaining wall below it on the boundary of lot 48 (11 Keble heights), because it has been built approx 700 mm higher than the original ground level.

Structerre had been commissioned to try to resolve this problem but have instead ignored the problem.

I would like to determine if there is any conflict of interest due to them approving the new wall and also trying to blame someone else to fix the problems this has caused.

My contact details are;

[laughton.andrew@gmail.com](mailto:laughton.andrew@gmail.com)

0409 931 559

Regards Andrew Laughton.
